Civil Action

2:17-cv-18

Joseph Penns, et al
 Defendants

Motion for Complicacy
 by Honorable Corbello to bring forth
 any Additional Defendants

To the Honorable Judge of Said Court,
 Now Comes,
 Ms Bobbie AKA the Plaintiff and brings forth the
 motion for Complicacy.

Address to Court.

Your Honor, on Jan 6, 2021 the Plaintiff
 filed under the Holloway-v- Lockhart Standard
 that Parties may obtain Discovery without motion

① 813 F2d 874

or Court orders.^②

Docket 235-1 was due in 30 days, due to the complexity of the Document the Plaintiff gave a extra 30 days, till the end of Feb 2021.

Honorable Corbello wrote the Plaintiff asking for a additional 30 days due to weather (ice storms) which was agreed to, the new date March 31, 2021.

Court Docket 235 granted Parties may only conduct Discovery as to the identities and roles of the Defendants. Once those issues are resolved, and any improper Defendants are dismissed from this case, the Court will lift the protection orders.

Court Docket 235 was filed 2/22/2021 right at the end of the extra time that was given Corbello to answer.

Corbello received a extra 30 day from the Plaintiff till March 31, 2021.

The time is up, discovery is up, time has ran out.

② Court DK 235-1, filed 2/05/21 for information to Court.

Yours Honor, Corbello thinking is she has a
Blank-check and time to report to the Clerk,

The Plaintiff objects:

At this point, the Plaintiff has to assume
Corbello is trying to find scapegoats to rescue
her CMHCC Committee that now represent the
Regionals Mental and Medical Health Directors
in Paragraph IV of Policy G-51.11 dated 5/16/2012
page 22 of 23, Document 62-1 Amended Complaint.

The Plaintiff has already made a
Plausible Claim according to this District Court
that the present Defendants are total responsible
and represent the Mental and Medical Health
Directors of the various regions in TDCJ/ATMB
and then the Court agreed that the Plaintiff
made a plausible claim how they affected the
treatment of the Plaintiff Gender Dysphoria.

DE 123p3, DKE 186 filed 7/02/2020

Yours Honor, in Docket 186, 07/02/2020
Corbello tried to make a Big Showing in a
Tel-conference with Mag. Judge Hampton that
the Plaintiff couldn't sue the CMHCC but,

Corbello stumbled, Mag Judge Hampton found out in the Tel-conference the Plaintiff never sued the CMHCC [NOR] were they ever mention in the present Civil Action. See Docket 178, p 2 (DE 178, 3) See - Civil Docket 2:17-CV-00018, p 3 of 23

The listed Defendants were added by the State, Corbello inserted the CMHCC to represent the Mental / Health Directors of the Health Care Policy G-51.11 dated 5/16/2012 that provided the treatment for the Plaintiff, et al. Docket 186, Docket 71

Your Honor, this Court has went thru 126 motions to Dismiss for failure to state a claim, Jurisdictional Errors, 5th Circuit immunity errors with extended Arguments in the 5th Circuit.

At no time were the present Defendants ever represented not to be the proper Defendants

Thus very Court in Docket 127 on 4/8/2020 orders the Defendants to respond to the Plaintiff claims.

Now a year later, we are looking for improper Defendants per D.E. 237 08/22/2021

Really !!

Your Honor, Corbello is doing "Legal Dancing",
then is where a person files this brief, then
files another one and another one, on and on and on.

at all thru Civil Action 2:17-CV-18, it has
to come to a close.

We need to move on, five years is long
enough. The Court knows the Plaintiff has never
filed for a extension of time, always answered,
has her formation of issues ready.

Corbello needs to answer the Civil Action
or go for settlement.

The Plaintiff objects to any further delay

So Prays the Plaintiff

Ms Bobbie

Certification of Service

This was not sent to the Defendants, the
Court has to decide if the Plaintiff motion
is valid.
